7-OH in South Carolina: The Law, the FDA and Your Health

HOPE

Check the Label

- Look for the listed 7-OH content
- Fully synthetic 7-OH is not allowed
- A label is only as good as its maker

HOPE

Legal Is Not the Same as Safe

- Daily use can bring dependence
- Mixing with alcohol or sedatives is risky
- Sold openly does not mean safe

HOPE

Your Next Step

- Talk with a provider before stopping
- Ask about a supervised taper
- Overdose? Call 911, give naloxone
