Before Your First Naltrexone Dose: A Safety Checklist

HOPE

Tell Your Provider First

- Every medicine you take
- Any opioid, including tramadol
- How much you drink each day

HOPE

Keep These Handy

- A card that says you take naltrexone
- Naloxone, in case of overdose
- Your provider's number for side effects

Safety Reminders

- Drinking heavily daily? Talk before stopping
- Missed a dose? Tolerance may be lower
- Suicidal thoughts? Call or text 988
