Before You Buy: What a 7-OH Label Can and Can't Tell You

HOPE

On the Label by Law

- The product's 7-OH content
- Sold only to adults 21 and up
- No fully synthetic 7-OH allowed

HOPE

Not on the Label

- Whether the number is exact
- Any FDA approval for 7-OH
- Whether it is safe to mix

HOPE

Use It to Stay Safer

- Snap a photo for your provider
- Lock products away from kids and teens
- Watch for using more to feel the same
