Pain Pills and Alcohol: A Safety Guide for Home

Hope Addiction Medicine · hopeaddictionmedicine.com

Tell Your Provider

- How much you drink
- Every medicine you take
- Anything bought outside a pharmacy

Keep Your Home Ready

- Naloxone kept at home
- Everyone knows where it is
- Buprenorphine stored locked up

Before You Change Anything

- Don't stop a prescribed opioid alone
- Drink heavily daily? Ask before quitting
- Thoughts of suicide? Call or text 988
