Chapter One

Welcome from North Charleston

We treat opioid, alcohol, kratom and other substance use for adults from North Charleston at our West Ashley office.

Chapter Two

Medicine saves lives

Medicines for opioid use disorder are safe and effective and save lives, and medicine is the standard care for fentanyl addiction.

Chapter Three

Care around your shift

Ask which of your visits can be by secure video, so treatment fits around factory and warehouse hours.

Chapter Four

The first dose, in person

The start of treatment medicine is done in person at our West Ashley office, timed by how you are feeling.

Chapter Five

Safety at home

Skip alcohol and sedatives, store treatment medicine locked up and keep an overdose-reversal spray where others can find it.

Epilogue

Help that fits your life.

Treatment does not have to mean stepping away from work. A first call lets us plan visits around the shifts you already keep.
